

Exterior use

Organic formula that breaks down and removes surface rust stains.

Non-acidic formulation particularly suited for delicate applications such as polished marble. Acts directly onto the surface to be treated, removing stains in just 15 minutes.

Ideal for removing rust stains from all types of polished and unpolished natural stone including marble, granite, travertine, light coloured sandstone, concrete, limestone and porcelain paving.

Directions for use

SHAKE WELL BEFORE USE

Always test/practice on an inconspicuous area before proceeding to ensure that the finished result is satisfactory.

Preparation: Ensure surface to be treated is completely free from dust and dirt before application. If necessary, first wash area with **Pavestone Patio Cleaner** diluted 1:10 with water.

Application: Do not dilute. Completely cover the rust stain with the product. Leave to act for 15 minutes. The product colour will change to a deep purple as it reacts with the rust. Once the indicated time has elapsed remove the residue and rinse the surface thoroughly with plenty of water and leave to dry. Repeat application until the stain is completely removed. Do not use when surface temperatures are under 5°C or over 25°C.

Storage information

KEEP UPRIGHT in a cool, dry, frost free environment.

Shelf life: to 2 years for unopened containers.

Once opened use within 6 months of purchase for optimum results.

Empty containers are recyclable. Active ingredients are water soluble and inert once cured so therefore not harmful to the environment and ecologically sound.

Coverage Per Litre

Approximately 5m²

Health, Safety & Environmental
